REMNANT QUEST WEEK 5

Safe Harbor

"Find shelter and peace where waters meet the land, a safe place for God's people."

Challenge: Visit the waterfront landing where journeys began for many faithful travelers.

- Harbor Symbol Search — Find a symbol of safety (anchor, dock cleat, lighthouse image) and explain its spiritual meaning.
- Group Unity Pose — Take a group photo showing "unity"—linked arms, circle, or hands together.
- Traveler's Prayer — Write a short prayer for people beginning new journeys today.
- Write a brief reflection (1–2 paragraphs) connecting the site to the theme of the remnant—God's people staying faithful and ready for Jesus's return. Use Bible verses to support your thoughts. You may also use videos, art, essays, social media posts, etc. for your reflection.
