# REMNANT QUEST
# WEEK 3

## Foundations of Faith

**Challenge: Explore the oldest pioneer home where early settlers lived with faith and strong values.**

- **Foundation Stone Find — Identify the oldest architectural feature and explain how it represents "building on the rock."**
- **Faith Value Reflection — Write down one value early settlers lived by and how teens can live it today.**
- **Historic Sketch — Draw (quick sketch) one part of the house and label it with a spiritual "foundation word" (truth, courage, obedience).**
- **Write a brief reflection (1–2 paragraphs) connecting the site to the theme of the remnant—God's people staying faithful and ready for Jesus's return. Use Bible verses to support your thoughts. You may also use videos, art, essays, social media posts, etc. for your reflection.**

**Focus: Foundations of faith and knowledge.**
